HOW TO MAKE THE BEST OF THE SHOWS

In 2003 Made in Yorkshire piloted two workshops. The first of these very successful events highlighted the problems & advantages of selling direct to the public, the second looked at trade shows. Topics covered included designing a selling stand involving creative use of colour, product lighting, textures, graphics, movement & style. Also considered were pre & post show PR & how to plan a marketing strategy, selling to the trade & how to trade in a foreign currency.

These workshops will be combined & updated for 2012. Don't miss out – tick the box on your Exhibitors' Questionnaire & we will contact you with details, alternatively if you would like a workshop to take place in your area & you know of another six or seven businesses who would also be interested we will try to arrange a suitable date & venue.
